

## Jacqueline Rolls – Willow Sculpture - £60pp

Create a Curlew, Egret, Heron or similar wading bird.

You will learn a variety of techniques including random weave and simple basket making techniques to create your own individual sculptures.

Jacqueline will supply a variety of photographs and information about working with willow and aftercare.

A selection of photographs will be available and you are welcome to bring your own reference sources.

All materials and equipment is provided, we will be using brown willow which is suitable for going outside.

Please wear practical clothing or bring an apron and gloves if you prefer to use them.

**Please note** that working with willow can be physically tiring especially on the hands and will be difficult for you to do if you have conditions such as arthritis or carpal tunnel if this is the case please ask that your contact details are passed on to me so that we can discuss this in advance I can bring buff willow which is kinder on the hands but is best kept under a shelter and brought indoors in the winter.
