

Calligraphy by Wendy Hunt £57 per person

THE POWER OF *Writing*

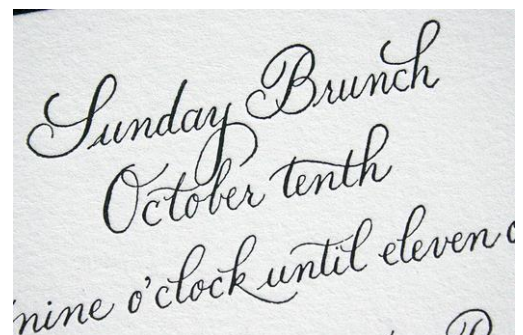

On this beginners workshop Wendy will take you through how to use a traditional dip pen and ink, from how to prepare your nib, through to creating your own monogram.

The style of calligraphy you will be learning will be based on traditional Copperplate, which once mastered, will allow you to create pieces of script with beautiful swirls and curls.

All materials and paper will be supplied and at the end of the day, other than your own monogram and practice sheets you will have a dip pen and ink to take away to carry on your newly found skills.

Please bring an apron or smock to protect your clothes from the ink.
